

★ **Leading Lady: Chris Christ and Barbara Hutchins**

June 30, 2006

Chris and Barbara are great examples of the benefits that come with **HARD WORK** and not giving up.

Chris and Barbara both work closely with the Operation Helmet Organization. Operation Helmet is a not for profit organization that provides helmet kits for the marines, a much needed and life saving accessory.

These two mothers helped make the Matt and Ramona Hat's for Helmets Party a Success! Both women have sons in the marines and they realized the NEED for helmet kits for our Marines overseas. They saw a need and worked hard to fulfill it, raising more money than they ever thought possible. Their countless hours, dedication to helping others and most of all **HARD WORK** helped many US Marines and that is why they are Link Leading Ladies!
